# Massage

We provide Swedish or Hot Stone massage.

## Swedish

A relaxing treatment to ease muscular tension and stress. Using massage techniques specifically aimed to relax your muscles as the purpose is to increase oxygen flow to the muscles and aid the body to remove the build up of toxins. For the face & scalp a variety of massage movements are used to relieve tension, stimulate circulation and restore joint movement. This can help to reduce stress and fatigue, increase mental clarity and is very relaxing and rejuvenating.

## Hot Stone

This therapy embraces the philosophy of mind, body, spirit and uses smooth, heated basalt stones, a deeper method of massage which promotes deep muscle and tissue relaxation, alleviates stress, releases toxins, relieves pain and improves circulation. The stones work to deliver warmth and relax the muscles by increasing blood flow to the area being worked on. This overall increase in circulation, and deep release of the muscles will leave the entire body feeling lighter and more energised.

# Spa Body

Using the Eve Taylor range of body products our body treatments are totally relaxing and feel insanely great.

Purifying Back Treatment 50.0

Using purifying essential oils to deep cleanse and unclog the skin this treatment targets a problematic back area. Zones in on breakouts to help clear blemishes with powerful botanicals while our detoxifying seaweed mask deep cleanses and re-mineralises the skin. A scalp massage is also included within this treatment.

Body Glow!  
Full Body Exfoliation 40.0

Our finely ground sea salt infused with essential oils of Jasmine and Ylang Ylang soothe the senses while the dull, dry skin cells are buffed away. Skin drenching moisturisers conclude the treatment leaving skin feeling soft, smooth and hydrated.
